Echoes of Excellence 2025-26

Words of Wisdom

Dear Parents and Students,

It has been a truly enriching term, and I am delighted to share a few thoughts with you.

At NPS KGL, learning is not confined to books and classrooms. We aim to spark curiosity, build confidence, and help students discover their passions. Our teachers are committed to creating a warm, engaging, and inclusive learning environment where every child feels seen, heard, and valued.

Though we are at the beginning of this beautiful journey, the energy, enthusiasm, and trust of our parents and students have already created a strong foundation. We look forward to nurturing not just academic skills, but also creativity, character, and values that shape responsible and compassionate individuals.

Thank you, dear parents, for choosing to begin this chapter with us. Your belief in our vision motivates us to do better each day. Together, we will build a school that becomes a place of joy, growth, and meaningful learning for every child.

May our children never stop exploring, never stop dreaming, and never stop believing in the power of who they can become.

Regards,

Dr. S Ayyappan Nair
Academic Director

Echoes of Excellence 2025-26

Words of Wisdom

Dear Parents and Students,

With immense joy and gratitude, I share this message as we embark on a beautiful journey together. As a new school, we are not just opening doors to classrooms—we are opening hearts, minds, and possibilities for every child who walks through them.

Our vision is to create a school that feels like a second home, where children feel safe, happy, and inspired to learn each day. We believe that education must touch both the mind and the heart. While we nurture academic growth and curiosity, we also strive to instill confidence, kindness, resilience, and a deep sense of self-worth in every student.

We are committed to building a learning environment that blends strong values with modern, future-ready education. Through engaging teaching practices, exploration, creativity, and meaningful experiences, we aim to prepare our students not only for exams, but for life. We want them to think boldly, dream fearlessly, adapt confidently, and lead with empathy.

To our dear parents—thank you for placing your trust in us at this foundational stage. Your support is the strength behind our vision. Together, as one team, we will create a nurturing and enriching school culture where children feel encouraged to be the best version of themselves.

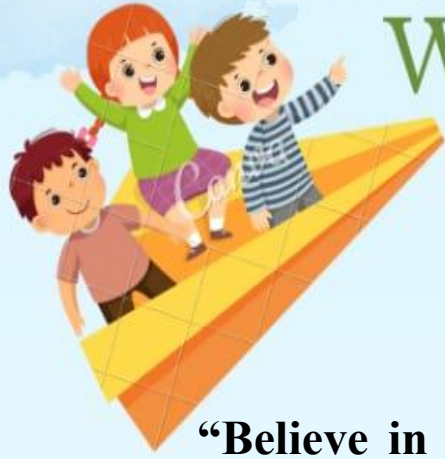

As we move forward, let us inspire our children to dream big, stay curious, and believe in the incredible promise of their futures. The journey has just begun, and the best chapters are yet to unfold.

Thanks and Regards,
Ms. Smitha Kurup K
Principal.

Words of Wisdom

“Believe in yourself, work hard and make your dreams happen.”

As we embark on this new journey, I want to emphasize the importance of embracing challenges, exploring new opportunities, and nurturing our values. Our school community is built on a foundation of academic excellence, creativity, and character.

We strive for academic excellence and provide opportunities for students to grow and develop their skills. We encourage creativity, innovation, and critical thinking to prepare students for the future. We nurture values such as empathy, kindness, and responsibility to shape our students into compassionate and responsible citizens.

Let's work together to create a supportive and inclusive environment that fosters growth, innovation, and success.

Thank you for being part of our school family. I look forward to seeing the amazing things we'll achieve together!

Warm Regards,
Ms. Shwethashree. R. N
Vice Principal
